

CARDINAL TEAM MANAGER PROGRAM

RESPONSIBILITIES

- * Help Coach plan AAU season and what your team wants fundraising to pay for including additional tournaments, parents and players travel expenses, AAU tuition costs, parties, etc.
- * Organize fund raising activities for your team, hold and distribute contributions, and maintain allocation form.
- * Distribution and possible creation of team contact list
- * Organize full dress team picture before State AAU Tournament
- * Liaison between Coach, Parents and Cardinal Administration
- * Possible statistics keeping and video taking
- * Possible organization of car pooling or rides to events

Not all teams need all of the above functions, and other parents are encouraged to "help out" also because a team "needs a village" to be successfully managed

BENEFITS TO YOU THE MANAGER

- * Your child's AAU tuition is cut in half
- * Your child's team and it's parents can have a very eventful and exciting AAU season, and/or a reduction of their own tuition cost, due to your hard work
